

Cheniere signs 25-year LNG sales deal with Taiwan's CPC

Aug 11 (Reuters) – Cheniere Energy Inc said on Friday it had signed a 25-year deal to supply liquefied natural gas to Taiwan's CPC Corp, which CPC valued at roughly \$25 billion.

Cheniere said it will sell 2 million tonnes of LNG per annum on a delivered basis to the state-owned oil and gas company, starting in 2021. It said the purchase price will be pegged to the Henry Hub monthly average, plus a fee.

A CPC spokesman valued the deal at \$25 billion, based on current prices.

Cheniere operates the Sabine Pass LNG terminal in Louisiana and is building the Corpus Christi LNG plant in Texas. The deal, which is through Cheniere Marketing, is not tied to a particular liquefaction train.
